GCISD Special Olympics and GCISD Special Athletics Booster Club New Logo, designed by a local Marketing firm

The GCISD Special Olympics program and the newly formed GCISD Special Athletics Booster Club will launch their freshly created logos designed by The FRAY DESIGN FIRM. Courtney Fray designed the logo as a gift to the new Booster Club to support the Special Olympics and inspire our young athletes. Mrs. Fray spent time with GCISD Special Olympics Head of Delegation Coach Trent Edwards and GCISD Special Athletics Booster Club President Kristy Webb. The star shape resembles GCISD's star logo and two people playing a sport in a pose communicating success, empowerment, and inclusion. The colors in the logo blend Grapevine High School blue and Colleyville Heritage High School red.

"The unveiling of our new logo by the grapevine Colleyville ISD Special Olympics program represents a fresh beginning and a vibrant collaboration with the GCISD Special Athletic Booster Club. This accomplishment is the product of the unwavering dedication of Courtney Fray and the Fray Design Firm. Through this logo, we proudly spotlight the ongoing success our student-athletes in GCISD Special Olympics pursue and attain daily."

- Coach Trent Edwards, Head of GCISD Special Olympics Delegation.
